

Navarino Ski Trail Club

Like to ski without access fees?

Most ski areas charge a trail fee of \$5...\$10...\$15 per day.

Trails on the Navarino Wildlife Area (WDNR) are public and available to anyone FEE FREE.

Navarino Nature Center has started a "Navarino Ski Trail Club" for individuals who love to ski and want to assist / maintain / expand on the 12 miles of ski trails at Navarino.

Grooming ski trails is an expense that the nature center can not bear alone as we do not have the grooming equipment. The nature center has entered a short term agreement with the Shawano County Parks Department to use a county snowmobile and a "homemade" plywood groomer to pack and track the ski trails on Navarino.

The "Navarino Ski Trail Club" is created to meet grooming expenses, upgrade equipment and expand ski trail grooming. We do not receive government funding and rely entirely on membership fees, trail donations and business contributions.

Your support / membership is vital to us!

Please consider becoming a member of the Navarino Ski Trail Club.

Benefits:

- Receive emailed updates on trail conditions and grooming
- Invites to Fall trail work days to prepare the ski trails
- Help improve the equipment used to groom trails at Navarino
- Learn more about grooming trails and attend grooming clinics
- Donations are tax deductible

YEARLY MEMBERSHIP APPLICATION

Navarino Nature Center—Ski Trail Club

Mail to: Navarino Nature Center, W5646 Lindsten Road, Shiocton, WI 54170

___ \$15 individual membership enclosed \$___ Additional donation enclosed
