

*Mission Statement:
To educate people of all ages on the importance of conserving natural resources and wildlife habitats, promoting renewable energy, and developing a healthy lifestyle by engaging in wellness opportunities*

Wednesday, January 15, 2025

Greetings from Navarino Nature Center!

We are currently planning out the **2025 Navarino Trail Fun Run / Walk**, which will be on Saturday, April 26, 2025.

I am contacting you in regards to partnering with the nature center through a sponsorship of the 2025 Navarino Trail Run / Walk.

Enclosed is a sponsorship form will allow you to choose what level of support you are able to assist with at the trail run / walk event. Please note that your support of this event goes much further than just the event itself, as your support helps to provide educational programs and offerings to nearly 3,000 area students.

Nature center programs and offerings have continually expanded to serve all residents in Northeastern Wisconsin thanks to the support from individuals and businesses like yours. NNC staff and volunteers work throughout the year with a wide range of groups including: pre-school programs, school trips, public programs and events, senior safari program with over a 100 seniors attending monthly, and much more. Please consider joining us on Saturday, April 26, 2025 for the Navarino Trail Fun Run / Walk, or for the Earth Day open house immediately after. You can walk, run or just cheer on those that are participating. We have had several school running clubs participate through the years, giving these students an early start in enjoying nature while participating in healthy exercise.

As a sponsor your donation is tax deductible, as Navarino is a 501(c)3 nonprofit organization. **There are 3 levels of sponsorship: Silver (\$50.00), Gold (\$100.00) or Platinum (\$500.00).**

Navarino Nature Center is a 501c3 non-profit entity located on the 15,000 acre Navarino Wildlife Area. The nature center is supported by donations, grants, fundraising, programs, and the support of individuals and businesses through their membership dues. Annually around 18,000 people visit the area, and an additional 4,000 students participate in educational programs on-site.

Thank you for your consideration of support in advance, and I hope to see you on Saturday, April 26, 2025 for the event. Feel free to contact the nature center if you have any questions about the Navarino Trail Run / Walk.

Please considering responding earlier for more promotion including brochure, internet, and Facebook.

Sincerely,

Tim Ewing, Director / Naturalist
