

The Giving Tree at Navarino Nature Center

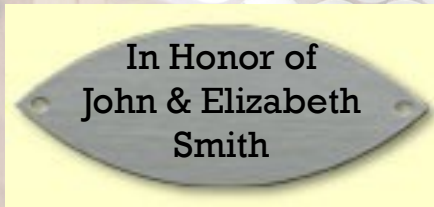

An anonymous donor gifted a "Giving Tree" that is located in the lobby of the Nature Center. The Giving Tree will allow NNC members, school groups, visitors, businesses, clubs & organizations, and the public to show their support to the nature center.

The Giving Tree's trunk is bronze cast with 3 colors of leaves attached to an acrylic canopy background. Each color of leaf is designated at a different level of support to the Nature Center. Leaf levels are \$50 - \$299: (*Bronze*), \$300-\$499 (*Gold*), and \$500 or more (*Platinum*). (*Donors of more than \$1000 may have the donation recognized on the leaf in an additional line.*)

A total of 450 leaves are available on the tree.

Each level of leaf can have up to 2 lines of text (**total of 16 characters per line**) with the option of "In Memory of" or "In Honor of" included.
